ACA Supports Daniel

WASHINGTON, D. C. – Fifth District Congressman Dan Daniel was endorsed for re-election today by Americans for Constitutional Action (ACA) because of his "consistent voting record for constitutional principles".

The national, non-partisan organization, with headquarters here, cited Daniel's high-ranking percentage in the ACA's tabulation of voting records of Members of Congress who stand for conservative fiscal policies, sound government and personal initiative rather than bureaucratic interference in solving the country's problems.

In the ACA tabulation this year, Daniel was given a 96 per cent and his cumulative rating for his eight years in Congress is 92 per cent on crucial House votes included in the organization's **INDEX** of important national issues.

The organization also recently honored the Congressman with its annual Distinguished Service Award, presented for "outstanding achievement as a member of Congress".

Miss J. Charlene Baker, Chairman of ACA, in announcing the endorsement, said, "Congressman Daniel is best judged by his performance during the eight years in which he has served in the House. His legislative record gives factual evidence of his valuable and unselfish service to our nation. If every Member of Congress voted as Mr. Daniel, there would be little or no Federal debt, inflation would not be a problem, our national military strength would not be in question, and Americans would be paying lower taxes."

Evangelist Howard Baldwin To Lead In Local Bicentennial Crusade

"Sermons in Art" will be a special feature of the special Bicentennial Evangelistic Crusade at the Elon Baptist Church, Pamplin, Virginia on Nov. 5-10.

The Elon Baptist Church has invited Evangelist Howard Baldwin to lead the crusade. Mr. Baldwin has led churches across America and throughout Great Britain in evangelistic crusades. He is a veteran proclaimer of the message of Christ.

A native of Richmond, Va., Mr. Baldwin is a graduate history major and received his Master of Divinity Degree from the Southern Baptist Theological Seminary in Louisville, Kentucky. He is an ordained minister, and before entering the ministry of evangelism, he served for ten years as a pastor in Virginia, Indiana, Chicago, and overseas in England.

A unique feature of the crusade will be Mr. Baldwin's "Sermons in Art" which are visual portrayals of the Gospel, drawn during the service. The message is given in stereophonic sound with a musical background while the picture is reproduced in fluorescent pastels. The full brilliance of the art is brought out by the use of ultraviolet lights, making the picture come alive with living color. The Sermons in Art have a wide appeal to young and old alike.

Mr. Baldwin's messages stress that the only hope for mankind today is not in political revolution but in a "Spiritual Revolution". He has stated that "what man needs today is far more than a mere physical heart transplant; men must have a spiritual heart transplant performed by the great physician, "Jesus Christ". The crusade will feature the Bicentennial theme, "Proclaim Liberty."

"In my judgement, we have more government than we need, perhaps more government than the people want, and certainly more government than the taxpayers can afford."

Independence, economy, and common sense: the government Virginia wants is what he stands for.
